DONATING TO BCMHO.ca

We operate entirely on donations and were extremely fortunate to receive donations from the Penticton & District Manufactured Home Owners Association (\$1,000.00) and the Lower Mainland Manufactured Home Owners Association (\$500.00).

Why do we require donations from our membership?

- To continue to offer free memberships
- To maintain online resources for our members
- To continue to collaborate with provincial Associations
- To continue to advocate for sustainable and affordable housing
